Ferrari-Carano 2002 Reserve Chardonnay

Sweet, very slightly candied, apple-like fruit is teamed up with lots of very rich oak in its lightly toasty and mildly buttery nose, and this weighty, we wine follows with like-minded flavors that marry plentiful fruit with enticing sweet spice. It is an outgoing and easy-to-taste offering at present with plenty of immediate appeal, yet it has the structure and depth to keep for another year or two in the bottle.
